Subject: RE: [External] Request for Allowable Ex Parte Communication

Ms. Boyd,

This email follows up on our WebEx meeting yesterday. As you know, we are attempting to nail down a briefing date for an allowable ex parte communication in ND-2022-6-C. We discussed several potential dates in our WebEx meeting, but after consulting with our client, we could not make any of those particular dates work. However, we can make **Monday, March 28, 2022** work. We have also consulted with Mr. Huber and he advised that March 28th would work for ORS.

That said, is Monday, March 28, 2022 workable with the Commission's calendar? If so, we would propose either 10:30 AM or 2:00 PM for the briefing, which will be about an hour and 15 minutes in length. Please advise.

As always, we greatly appreciate the Commission's kind consideration of this matter. If you have any questions, please do not hesitate to contact me.

Best Regards,

Andrew J. D'Antoni, Esquire

Good afternoon, Jocelyn,

Are you available to talk about this matter. I believe the Notice needs to be posted no later than tomorrow in order to meet the 5 business day notice period required by statute, if we are allowed to conduct the requested briefing next Friday, March 4. Of course, many schedules are at issue for the briefing, and your guidance on this scheduling is needed. My mobile is 803 [REDACTED]. Thanks.

Mitch
